Dear SC State University Military Alumni Chapter Supporter:

On behalf of the South Carolina State University Military Alumni Chapter (SCSUMAC), we are encouraging you to become a corporate or individual sponsor of SCSUMAC's inaugural Golf Tournament. Our tournament will kick-off a year-long celebration of our 75th years of existence of the South Carolina State University Army ROTC Program. The golf tournament is scheduled to take place on Thursday, April 04, 2024, at Calhoun Hills Golf Complex (www.calhounhills.com) 200 Country Club Road, St. Mathews, SC 29135.

We look forward to team participation from our sponsors, new sponsors and new members alike. The 2023 inaugural fundraising event raised \$20,000 as a direct result of donations and contribution. Those funds went directly to the SCSU ROTC Department's Endowment and Scholarship Support Fund (ESSF). The ESSF aids in developing, mentoring, and building future leaders of the United States Armed Forces

In 1972, SCSU was selected as one of 10 Colleges/Universities to participate in a pilot program that permitted 220 women to join ROTC Programs instead of solely the former Army Women's Corp. Furthermore, the program's success is affirmed with 22 SCSU ROTC Distinguished Graduates that have achieved the rank of General Officer - the most of all Historically Black Colleges & Universities. Our historic "Long Green Line" heritage continues today as we are recognized as the largest producer of minority officers for the United States Army. Join us as we Celebrate this significant milestone.
